**PROCEDURE (ANX/CPA/ZMA):**

The procedure for annexation is defined in Chapter 171 of the Florida Statutes. The procedure for comprehensive plan amendments is defined in Chapter 163.3184 of the Florida Statutes. The procedure for rezoning is defined in 166.041 of the Florida Statutes. The procedures for development site plans, plats, and construction plans are defined in the Town's codes and ordinances. In general, all petitions and application processes shall be heard and recommended by the Planning and Zoning Board and will be finally approved, denied, or approved with conditions by the Town Commission at an advertised public hearing. All ordinances require two readings before Town Commission.

**CODE OF ORDINANCES:**

The Town of Oakland's Code of ordinances can be found on the internet at [www.oaklandfl.gov](http://www.oaklandfl.gov) or [https://www.municode.com/library/fl/oakland/codes/code\\_of\\_ordinances](https://www.municode.com/library/fl/oakland/codes/code_of_ordinances) Access to the internet can be obtained at any branch or the Orange County Library.

**UTILITY LOCATE:**

It is the Owner/Contractor's responsibility to locate existing utilities and coordinate with the proper agency for the inspection of new utilities.

**COMMUNICATION TOWERS:**

Communication towers and the amendment thereof must comply with Ordinance 2012-10 the Town's Code of Ordinances and pay the associated fees identified in Article XXI of the Town of Oakland's Code of Ordinances.

**NOTE:**

If the petitioner wishes to be represented by an Agent, a limited power of attorney must be properly executed and provided to the City along with this application. The Town Planning and Zoning Board and the town Commission will not hear cases that do not have representation at their respective meeting(s).

## **DEVELOPMENT REVIEW COSTS- RESPONSIBLE PARTY**

I understand that the Town of Oakland requires that the applicant be responsible for reimbursing the Town for all advertising costs associated with this application, including postage for notices to adjacent property owners, and for newspaper advertising as required by the Florida Statutes and the Town Code. I understand that I will be billed for these costs and will be responsible for paying them, whether or not my application for annexation, zoning, future land use, and/or development approval is successful.

In addition, if this application is deemed to require review by the Town Engineer, Town Surveyor, Town Attorney or any other required Town Consultant, I understand that I or my company shall be responsible to pay for any and all reasonable legal, engineering, surveying, or consultant costs incurred by the Town of Oakland in the process of reviewing the above project pursuant to ORDINANCE 2014-01 et al.. Invoices from the Town shall be paid within ten (10) calendar days of the date appearing on the invoice. Full payment is a requirement for Town's final approval or any such similar Application. The agreements contained herein are supplemental to the Applicant's and the property owner(s)' requirements and obligations under ORDINANCE 2014-01.

I also understand that if this project property is sold, I or my company will be responsible to ensure that the new owner executes a similar application form accepting all of the responsibility to pay for any and all reasonable legal, engineering, surveying, or consultant fees incurred by the Town of Oakland in the process of reviewing this project from the date the property is sold. An applicant shall provide prompt written notice to the Town Manager within ten (10) days in the event of a change in ownership of all or a portion of a lot, tract, or parcel of real property with the respect to which an application, or project is pending before the Town.

*The Applicant acknowledges and agrees that it is spending funds at its own risk in an attempt to obtain development orders, permits and/or approvals from the Town or to otherwise develop the real Property, and the Town is not liable for reimbursing Applicants for such costs and expenses. Individual Town employees, Town consultants, Town appointed officials and elected officials (including Town Commissioners) have no actual or apparent authority to bind the Town on Application approvals and development matters, except for certain limited matters that are expressly authorized by the Town of Oakland Code of Ordinances to be determined by the Town Manager. The applicant shall not rely on and has no basis to rely on any written or oral statements of the Town's employees, consultants, or elected or appointed officials, except for the actual development order(s) or permits issued after final action is taken by the Town on the Application pursuant to the standard applicable review and approval process. Often for development matters, prior to final action being taken by the Town, the town must conduct quasi-judicial public hearing(s) where decisions on development applications must be based on the evidence presented into the record at such hearing(s), including testimony and evidence presented by the Applicant, City staff and consultants, and other interested parties. Moreover, often it is the case that multiple types of development orders and permits must be issued before a development can proceed, so the issuance of one or more development orders and permits, should not be relied upon by the Applicant for the likelihood that other required development orders, permits and approvals will be issued. Further, the final actions and/or development orders or permits of the Town on development matters can be challenged; thus, the Applicant should consult with its own legal counsel as to the reliability of final actions of the Town and development orders and permits issued by the Town.*
